

Citrus APS is an all-purpose 100% acetone product that removes spots and stains and freshens the air. It's a biodegradable product made from natural orange extracts and wetting agents which cut through and remove such soils as adhesives, crayon, shoe polish, wax, fat, gum, ink, cosmetics, and fresh paint as well as leaving a pleasant fragrance. It is especially formulated for carpeting but may also be used as a general purpose solvent and degreaser.

Citrus APS contains no fuel oil, kerosene or mineral spirits commonly added to cut costs in comparable products. Contains no chlorinated solvents.

SPOT REMOVER and AIR FRESHENER

Bane-Clean® Systems
Indianapolis, Indiana
A Bane Products Company 1987. All Rights Reserved.

DIRECTIONS FOR USE

1. Deteriorate
2. Do not spray onto plastic, varnished wood or painted surfaces or on top of the floor
3. Never pour directly on carpet
4. Always test on a hidden area first
5. Do not over wet tiles or grout between tiles
6. For spots and stains, spray or pour on wet the spot, from outside of area to center with a slow motion
7. Blot with area with a white paper/PEX. Care: Excessive rubbing or brushing may result in loss of carpet pile or fabric
8. Scrape up softened residue
9. Blot with dry cloth, leave it over. Repeat if necessary
10. Wet carpet clean or neutralized area first
11. As an air freshener, lightly spray into the air in carpet, drapery or other soft material to freshen odors.

Any liability is limited to the purchase price of this product.

CAUTION
KEEP OUT OF REACH OF CHILDREN

Avoid eye and skin contact.
Flush thoroughly with water.
Do not take internally.
