

Citrus APS is an all-purpose 100% active product that removes spots and stains and freshens the air. It's a biodegradable product made from natural orange extracts and wetting agents which cut through and remove such soils as adhesives, crayon, shoe polish, wax, fat, gum, ink, cosmetics, and fresh paint as well as leaving a pleasant fragrance. It is especially formulated for carpeting but may also be used as a general purpose solvent and degreaser.

Citrus APS contains no fuel oil, kerosene or mineral spirits commonly added to cut costs in comparable products. Contains no chlorinated solvents.

DIRECTIONS FOR USE

1. Do not dilute.
2. Do not spray onto plastic, varnished, waxed, or painted surfaces since spotting may occur.
3. Do not pour directly on carpet.
4. Always test on a hidden area first.
5. Do not over wet latex- or sponge-backed carpets.
6. For spots and stains, pour or spray on cloth, then work from outside of area to center with a circular motion.
7. Work into area with a BONE SCRAPER. Caution: Excessive rubbing or brushing may result in distortion of carpet pile or fabric.
8. Scrape up softened residue.
9. Blot with dry cloth, tissue, or towel. Repeat treatment if necessary.
10. Wet extract clean or rinse treated area and dry.
11. As an air freshener, lightly spray into the air or onto carpet, drapery or other cloth material to eliminate odors.

Any liability is limited to the purchase price of this product.
